14. With a view to enable the Company serve the members better, members who hold shares in identical names and in the same order of names in more than one folio are requested to write to the Company to consolidate their holdings into one folio
15. SEBI vide its notification dated 8 June 2018 as amended on 30 November 2018, has stipulated that with effect from 1 April 2019, the transfer of securities (except transmission or transposition of shares) shall not be processed, unless the securities are held in the dematerialised form. The Company has complied with the necessary requirements as applicable, including sending of letters to members holding shares in physical form and requesting them to dematerialise their physical holdings.
16. To comply with the above mandate, members who still hold share certificates in physical form are advised to dematerialise their shareholding to also avail of numerous benefits of dematerialisation, which include easy liquidity, ease of trading and transfer, savings in stamp duty and elimination of any possibility of loss of documents and bad deliveries.
17. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the e-AGM.

18. The Company has been maintaining, inter alia, the following statutory registers at its registered office :
- i) Register of contracts or arrangements in which directors are interested under section 189 of the Act.
 - ii) Register of directors and key managerial personnel and their shareholding under section 170 of the Act.

In accordance with the MCA circulars, the said registers will be made accessible for inspection through electronic mode, and shall remain open and be accessible to any member during the continuance of the meeting.

19. For ease of conduct, members who would like to ask questions/express their views on the items of the businesses to be transacted at the meeting can send in their questions/comments in advance by visiting URL <https://evotingindia.com/> and clicking on the tab 'Post your Queries' during the period starting from 25 September 2022 (9.00 a.m.) up to 27 September 2022 (5.00 p.m.) mentioning their name, demat account no./Folio no., e-mail Id, mobile number, etc. The queries may be raised precisely and in brief to enable the Company to answer the same suitably depending on the availability of time at the meeting.
20. For more details on shareholders' matters, please refer to the chapter on General Shareholder Information, included in the Annual Report.
21. Since the meeting will be conducted through VC/OAVM facility, the Route Map is not annexed to this Notice.

24. The Register of Members and Share transfer Books of the Company will remain closed from 20th Sept., 2022 to 27th Sept., 2022 (both days inclusive).
25. Instructions for e-voting and joining the e-AGM are as follows:
26. **Voting through electronic means:**

In terms of the provisions of section 108 of the Companies Act, 2013 (the Act) read with Rule 20 of the Companies (Management and Administration) Amendment Rules, 2015 (hereinafter called "the Rules" for the purpose of this section of the Notice) and the provision under SEBI Listing Regulations, 2015, the Company is providing facility to exercise votes on the items of business given in the Notice through electronic voting system, to members holding shares as on **20th September, 2022** (End of Day) being the Cut-off date (Record date for the purpose of Rule 20 (2) (ii) of the Rules) fixed for determining voting rights of members, entitled to participate in the remote e-voting process, through the e-voting platform provided by CDSL

The instructions for E-voting are as under:

A. The instructions for shareholders voting electronically and joining virtual meetings are as under:

- i. The voting period begins on **Saturday, 24th September, 2022 at 9.00 a.m.** and ends on **Monday, 26th September, 2022 at 5.00 p.m.** During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of **20th September, 2022** (End of Day) may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

ANNEXURE-3 OF DIRECTORS' REPORT FOR THE FINANCIAL YEAR 2021-2022.**CORPORATE GOVERNANCE**

In accordance with the provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), the report containing the details of Corporate Governance systems and processes of the Company is as follows together with the Auditors Certificate annexed as **Exhibit - A** to this report, on compliance with the conditions of Corporate Governance laid down are presented in the Report on Corporate Governance for the year ended 31st March, 2022.

This Report States the compliance status as per requirements of Companies Act, 2013 and Listing Regulations, 2015.

1. COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE:

Parle Industries Limited benchmarks its Corporate Governance with the application of sound management practices and it conforms to the mandatory requirements. The commitment of the Company to the highest standards of good corporate governance practices predates SEBI and the provisions of the SEBI Listing Regulations. Ethical dealings, transparency, fairness, disclosure and accountability are the main thrust to the working of the Parle Industries Limited. The Company is constantly striving to adopt the emerging good corporate governance practices.

The Company has a strong legacy of fair, transparent and ethical governance practices. The Company has adopted a Code of Conduct Prevention of Insider Trading its employees including the Chief Executive Officer and the Executive Directors, Non-Executive Directors which was revised during the year to align with changing cultural and regulatory norms across the multiple jurisdictions in which the Company conducts its business.

The responsibility of effective corporate governance rests not with a single authority. However, the Board of Directors has the primary responsibility of ensuring that the fundamentals of corporate governance - as expressed in law and regulation are complied with. Corporate governance is a state of mind and a set of principles based on relationships and can only work if people charged with these responsibilities believe and are committed to the principles that underlie effective corporate governance. An effective corporate governance strategy can only emanate by constantly reviewing corporate governance practices.

The Company is in compliance with the requirements stipulated under Regulation 15(2) of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 and regulation 17 to 27 read with Schedule V and clauses (b) to (i) of sub-regulation (2) of regulation 46 of SEBI Listing Regulations, as applicable, with regard to corporate governance.

The Nomination and Remuneration Committee is entrusted with the role of reviewing the compensation of Directors.

d) Criteria for making payment to Non - Executive Directors:

➤ **Sitting Fee:**

The Company does provide sitting fees to its Non-Executive Directors of the Company..

➤ **Commission:**

Under the Companies Act, 2013, Section 197 allows a company to pay remuneration to its Non-Executive Director either by way of a monthly payment or at a specified percentage of the net profits

of the company or partly by one way and partly by the other. Further, the section also states that where the company has managing director or whole-time director or manager, then a maximum of 1% of its net profits can be paid as remuneration to its Non-Executive Director. In case there is no managing director or whole-time director or manager, then a maximum of 3% of net profit can be paid. Thus, the basis of payment to the Non-Executive Director is the net profit of the Company.

Currently the Company is not paying Commission to its Non-Executive Director.

➤ **Reimbursement of actual expenses incurred:**

Non-Executive Director may also be paid / reimbursed such sums either as fixed allowance and /or actual as fair compensation for travel, boarding and lodging and incidental and /or actual out of pocket expenses incurred by such member for attending Board/Committee Meetings or for Company's work.

➤ **Payment and other consideration to independent directors:**

An independent director shall not be entitled to any **stock option** and may receive remuneration only by way of fees and reimbursement of expenses for participation in meetings of the Board or committee thereof and profit related commission up to a certain percentage of net profits in such proportion, as may be permissible under the applicable law.

ANNEXURE-4 OF DIRECTORS' REPORT FOR THE FINANCIAL YEAR 2021-2022.**MANAGEMENT DISCUSSION AND ANALYSIS (MD&A)****Industry Structure and Development**

The last two years the country's economy has seen turbulence and uncertainty in terms of COVID – 19. Economic activity which was recovering with the ebbing of the third wave, rapid stride towards universal vaccination, and supportive fiscal and monetary policies now faces significant headwinds from the exacerbating geopolitical developments and the accompanying sharp rise in global commodity prices and weakening global growth outlook.

The global recovery from the COVID-19 pandemic is turning out to be muted relative to earlier expectations. Downside risks to even this subdued recovery have jumped significantly from the escalation of geopolitical tensions, which have led to a broad-based increase in global commodity prices and are expected to have a large negative impact on global trade and growth. Growth and inflation outcomes are at high risk across the world as well as in India.

In the face of this extraordinary risk, the positive effects expected from the release of pent-up demand, especially for contact-intensive services, the government's thrust on infrastructure and capital expenditure, congenial financial conditions and improving capacity utilisation appear ephemeral.

The Management of the Company is pleased to present this report covering the activities of the company during the year ended on March 31, 2022.

Economic outlook

Despite continued slowdown in the Global economies due to ongoing COVID-19 pandemic worldwide, the Company is doing and expected to cope up with changing business dynamics and move towards growth over the coming years.

Opportunities and Threats

The property market in India is set to benefit from increased economic activity in the coming months. Over the past few years, record all-time low interest rates have opened up opportunities for many first-time buyers as well as investors. With the economy returning to normalcy and employees getting back to offices, there would be a gradual increase in demand for commercial office spaces along with residential also.

Your company, barring unforeseen circumstances, expects to further improve the performance by efficient resource utilization.

Risks & Opportunities

Your Company is exposed to a number of risks such as economic, regulatory, taxation and environmental risks and also the investment outlook towards Indian real estate sector. Some of the risks that may arise in its normal course of its business and impact its ability for future developments include inter-alia, credit risk, liquidity risk, counterparty risk, regulatory risk, commodity inflation risk and market risk.

The continued threat of Covid-19 remains a major risk for the industry this year. Apart from that, rising inflation continues to be a major concern for the sector as this is putting a stress on the margins.

Your Company's chosen business strategy of focusing on certain key products and geographical segments is also exposed to the overall economic and market conditions. Your Company has implemented robust risk management policies and guidelines that set out the tolerance for risk and your Company's general risk management philosophy. Accordingly, your Company has established a framework and process to monitor the exposures to implement appropriate measures in a timely and effective manner.

Human Resources

The company is committed to creating a professional culture to nurture and enable people to grow in their careers alongside Company's success. The company constantly strives to strengthen its manpower in alignment with the business needs.

Your company believes in investing in people to develop and expand their capability. The company's focus is on unlocking the people potential and further developing their functional, operational and behavioral competencies. The belief "great people create great organization" has been at the core of the Company's approach to its people.

Revenue & Profitability

Your Company achieved Total Revenue of Rs.139.49 lakhs, a increase of more than 200%, as compared to Revenue of Rs. 65.84 lakhs in previous year. Increase in revenue was primarily on account of other income from Business.

Profit After Tax was Rs. 1.98 lakhs, positively higher as against loss of Rs.(49.43) lakhs in the previous year.

Other Financial Highlights Other Income was at Rs.139.49 lakhs as against Rs. 64.36 lakhs in the previous year, primarily on account of interest income & savings in expenses.

INDEPENDENT AUDITOR'S REPORT

To the Members of **PARLE INDUSTRIES LIMITED**

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **PARLE INDUSTRIES LIMITED** ("the Company"), which comprise the balance sheet as at 31st March 2022, the statement of Profit and Loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and profit/loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

Sale of Investment in Subsidiary

We draw your attention to the fact that the investment in the subsidiary namely PSL Recycling has been sold off during the year and hence the Company has not prepared Consolidated Financial Statements. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Description of each Key Audit Matter in accordance with SA 701.

PARTICULARS	AUDITOR'S RESPONSE
<p>1. Inventories</p> <p>During the relevant year under audit, inventories forming part of the opening stock of the company amounting to Rs. 78,05,461.58/- was damaged. The company has reversed the ITC claimed on such damaged goods. This event is significant to our audit as it is non-routine. Accordingly, this is considered to be a key audit matter.</p>	<p>We have been provided with satisfactory explanation for the goods damaged during the year and have also examined the GST returns and the corresponding effect in the books of accounts for reversal of Input Tax Credit on damaged goods.</p>
<p>2. Prior Period Ledger Difference Written off</p> <p>During the year under audit, the company has written off prior period ledger difference amounting to Rs. 64,97,013.23/- which includes Salary payable to Pramod Patil (Rs.1,86,998.23/-), Salary & Wages Payable (Rs. 55,50,000/-), Salary & Wages payable to Vimal Maharajwala-C.E.O. (Rs. 4,05,000/-), Sitting Fee Payable (Rs. 2,76,000/-), Telephone expense payable (Rs. 1,029/-), Audit fees to G.R. Modi (Rs. 50,457/-) & Audit Fees payable (Rs. 27,529/-). Since the same is of significant amount it is considered to be a key audit matter.</p>	<p>We have discussed this matter with the management of the Company and appropriate level of those charged with governance, they have provided us with valid reasons for prior period ledger differences write off and after evaluating and relying on the same we have suggested them appropriate accounting treatment.</p>

Auditor's Response

Our audit procedures included testing the design, implementation and operating effectiveness of controls in respect of review of Property, Plant & Equipment, particularly in respect of management process for determining the realizable value of the PPE sold. Our audit procedure also includes evaluation of disposal date balances and assessing the gain on disposal. Further, we inspected the contractual agreements & other relevant documents in order to understand key terms and conditions & to assess the accounting impact.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and

detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements

or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2(f) under Report on Other Legal and Regulatory Requirements section of our report to the members of **PARLE INDUSTRIES LIMITED** of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **PARLE INDUSTRIES LIMITED** ("the Company") as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The carrying amounts of trade receivables, cash and bank balances, current loans, current borrowings, and trade payables are considered to be approximately equal to the fair value.

I. Fair value hierarchy

The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are

- (a) recognised and measured at fair value and,
- (b) measured at amortised cost and for which fair values are disclosed in the financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels prescribed under the Indian accounting standard. An explanation of each level is as follows :

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. For example, listed equity instruments that have quoted market price.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

II. Valuation techniques used to determine fair value

Significant valuation techniques used to value financial instruments include:

- o Use of quoted market price or dealer quotes for similar instruments
- o Using discounted cash flow analysis.

The fair values computed above for assets measured at amortised cost are based on discounted cash flows using a current borrowing rate. They are classified as level 2 fair values in the fair value hierarchy due to the use of unobservable inputs.

25 Financial Risk Management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk ;
- Liquidity risk ; and
- Market risk

A. Credit risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The company is exposed to credit risk from its operating activities (primarily for trade receivables and loans) and from its financing activities (deposits with banks and other financial instruments).

Credit risk management

Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business. The Company establishes an allowance for doubtful debts and impairment that represents its estimate of incurred losses in respect of trade and other receivables and investments.

The Company's maximum exposure to credit risk as at 31 March, 2022 and 2021 is the carrying value of each class of financial assets

i Trade and other receivables

Credit risk on trade receivables is limited based on past experience and management's estimate.

Ageing of trade and other receivables that were not impaired was as follows.

Carrying amount	As at 31 March	As at 31 March 2021
	2022	
Neither Past due nor impaired	15,448,049	1,500,000
Past due but not impaired	(607,927.54)	-
Past due more than 180 days	14,948,328	25,845,376
TOTAL	29,788,449	27,345,376

ii Cash and Cash Equivalents

The Company held cash and bank balance with credit worthy banks of Rs. 11,27,293/- at 31st March 2022 , and (Rs. 3,73,041/- at March 31, 2021). The credit risk on cash and cash equivalents is limited as the Company generally invests in deposits with banks where credit risk is largely perceived to be extremely insignificant.

B. Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. For the Company, liquidity risk arises from obligations on account of financial liabilities – trade payables and borrowings.

Liquidity risk management

The Company's approach to managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions. A material and sustained shortfall in our cash flow could undermine the Company's credit rating and impair investor confidence.

The Company maintained a cautious funding strategy, with a positive cash balance throughout the year ended 31st March, 2022 and 31st March, 2021. This was the result of cash delivery from the business. Cash flow from operating activities provides the funds to service the financing of financial liabilities on a day-to-day basis. The Company's treasury department regularly monitors the rolling forecasts to ensure it has sufficient cash on-going basis to meet operational needs. Any short term surplus cash generated by the operating entities, over and above the amount required for working capital management and other operational requirements, are retained as cash and cash equivalents (to the extent required).

Total	3,772,917	24,475,074	1,575,050	24,103,864

C. Market risk

Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates and equity prices will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments. The Company is exposed to market risk primarily related to interest rate risk and the market value of the investments.

i Currency Risk

The functional currency of the Company is Indian Rupee. Currency risk is not material, as the Company does not have any exposure in foreign currency.

ii Interest Rate Risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

Exposure to interest rate risk

According to the Company interest rate risk exposure is only for floating rate borrowings. Company does not have any floating rate borrowings on any of the Balance Sheet date disclosed in this financial statements.

iii Price Risk

Price risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market traded price. It arises from financial assets such as investments in quoted instruments.

a Fair value sensitivity analysis for fixed rate Instruments

The Company does not account for any fixed rate financial assets or financial liabilities at fair value through Profit or Loss. Therefore, a change in interest rates at the reporting date would not affect Profit or Loss.

b Cash flow sensitivity analysis for variable rate Instruments

The company does not have any variable rate instrument in Financial Assets or Financial Liabilities.

The company's objectives when managing capital are to

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-today needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets.

The management monitors the return on capital as well as the level of dividends to shareholders. The Company will take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

Ltd., Plot Nos. B-4 & B-5, New Link Road, Andheri, Mumbai, MH- 400053, India. The Company is engaged in the business of Infrastructure & Real Estate; and Paper, Waste Paper & Allied products.

1. Significant accounting policies:

The financial statements have been prepared using the significant accounting policies and measurement basis summarized below. These were used throughout all periods presented in the financial statements, except where the Company has applied certain accounting policies and exemptions upon transition to Ind AS.

1.1. Compliance with Indian Accounting Standards:

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and relevant provisions of the Companies Act, 2013 ("the Act"). The policies set out below have been consistently applied during the year presented.

For all periods up to and including the year ended 31st March 2022, the Company has prepared its financial statements in accordance with the accounting standards notified under Companies (Accounting Standard) Rules, 2006 (as amended) and other relevant provisions of the Act ("Previous GAAP").

1.2. Basis of Preparation and Presentation:**(i) Historical cost convention**

The financial statements have been prepared under the historical cost convention, as modified by the following:

- Certain financial assets and financial liabilities are valued at fair value;

(ii) Functional and Presentation Currency

The financial statements are presented in INR, which is also the Company's functional currency and all amounts are rounded to the nearest thousand, unless otherwise stated.

(iii) Classification of Assets and Liabilities into Current/Non-Current

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is treated as current when it is:

- a) It is expected to be realized or intended to be sold or consumed in normal operating cycle
- b) It is held primarily for the purpose of trading
- c) It is expected to be realized within twelve months after the reporting period, or
- d) cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- a) It is expected to be settled in normal operating cycle
- b) It is held primarily for the purpose of trading
- c) It is due to be settled within twelve months after the reporting period, or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The company has identified twelve months as its operating cycle.

1.3. Use of Estimates:

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting

estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

1.4. Property, Plant and Equipment (PPE):

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by management.

An item of property, plant and equipment and any significant part initially recognized is de-recognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset is included in the Statement of Profit or Loss when the asset is de-recognized.

1.5. Intangible Assets:

Intangible assets are stated at acquisition cost and other cost incurred, which is attributable to preparing the asset for its intended use, less accumulated amortization and accumulated impairment losses, if any. The cost of intangible assets acquired in a business combination is recorded at fair value on the date of acquisition. Intangible assets are amortized on straight line basis over their estimated useful economic life not exceeding ten years. An item of Intangible Asset is de-recognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset is included in the Statement of Profit or Loss when the asset is derecognized. The residual values, useful lives and methods of amortization of Intangible Assets are reviewed at each financial year end and adjusted prospectively, if appropriate.

1.6. Impairment of Assets:

i. Financial Assets

The Company recognizes loss allowances using the expected credit losses (ECL) model for the financial assets which are not fair valued through statement of profit and loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in such case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment gain or loss in statement of profit and loss.

ii. Non-Financial Assets**Intangible Assets and Property, Plant and Equipment**

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e., the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

iii. Share Capital

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares and share options are recognized as a deduction from equity, net of any tax effects.

1.7. Financial Instruments:**I. Investments and other financial assets****a) Initial recognition and measurement**

The Company recognizes financial assets when it becomes a party to the contractual provisions of the instrument. All financial assets are recognized at fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

b) Subsequent measurement

For purposes of subsequent measurement, the Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortized cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

c) Equity investments

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses for an equity investment, that is not held for trading, in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognized in profit or loss as other income when the Company's right to receive payments is established. Changes in the fair value of financial assets at fair value through profit or loss are recognized in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

d) De-recognition

A financial asset is de-recognized only when:

- the rights to receive cash flows from the asset have expired, or
- the Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows to one or more recipient.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is de-recognized. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not de-recognized.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognized if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

e) Offsetting Financial instruments

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

ii. Financial Liabilities

a) Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definition of a financial liability and an equity instrument. An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities.

b) Initial recognition and measurement

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

c) Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Borrowings: Borrowings are subsequently carried at amortized cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognized in the statement of profit and loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw-down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalized as a pre-payment for liquidity services and amortized over the period of the

facility to which it relates. They are subject to confirmation and reconciliation and consequential adjustments, if any.

Trade and other payable: These amounts represent obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. They are subject to confirmation and reconciliation and consequential adjustments, if any.

d) De-recognition

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

1.8. Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Amount disclosed as revenue are inclusive of duty and net of discounts, returns and value added taxes and amount collected on behalf of third party. The Company recognizes revenue when the amount of revenue can be reliably measured; when it is probable that future economic benefits will flow to the entity; and when specific criteria have been met, as described below.

Revenue from sales of goods

Revenue from sale of goods is recognized when all the following conditions have been satisfied:

- i. The company has transferred to the buyer the significant risks and rewards of the ownership of the goods;
- ii. The company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- iii. The amount of revenue can be measured reliably;
- iv. It is probable that the economic benefits associated with the transaction will flow to the company; and
- v. The cost incurred or to be incurred in respect of the transaction can be measured reliably.

Revenue from Contract Income

Revenue from construction contracts is recognized by reference to the stage of completion of the construction activity as on Balance Sheet date, as measured by the proportion that contract cost incurred for work performed to date bear to the estimated total contract cost. Where the outcome of the construction cannot be estimated reliably, revenue is recognized to the extent of the construction cost incurred if it is probable that they will be recoverable. In the case of the contract defined with mile stones and assigned price for each mile stone, it recognize the revenue on transfer of significant risks and rewards which coincides with achievement of mile stone and its acceptance by the customers.

Provision is made for all losses incurred to the balance sheet date. Any further losses which are foreseen in bringing contracts to completion are also recognized.

Contract Revenue earned in excess of billing has been reflected in other current Assets and Billing in excess of contract revenue has been reflected under Current Liabilities in the Balance Sheet.

Other Revenue is recognized as follows:

i. Finance Income:

Finance income is recognized as it accrues using the Effective Interest Rate (EIR) method. EIR is the rate that exactly discounts the estimated future cash payment or receipts over the expected life of the financial instruments or a shorter period, where appropriate, to the net carrying amount of the financial asset or liability. Finance income is included in other income in the profit & Loss Account.

ii. Dividend:

Dividends are recognized in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

1.9. Inventories

Traded Goods have been valued at lower of cost and net realizable value. The cost of inventories shall comprise all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition.

NRV is the estimated selling price in the ordinary course of business less the estimated cost of completion and estimated cost necessary to make the sale.

1.10. Cash and Cash equivalents

Cash and cash equivalents include cash at bank and in hand and deposits held at call with banks. For the purpose of the cash flows statements, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

1.11. Income Tax

Income tax expense comprises current and deferred income tax. Income tax expense is recognized in net profit in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set-off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

1.12. Employee Benefit Expense**Short-term / long term obligations**

All employee benefits payable wholly within twelve months of rendering the service including performance incentives and compensated absences are classified as short term employee benefits. The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are charged off to the Statement of Profit and Loss/ Capital Work-in-Progress, as applicable. The employee benefits which are not expected to occur within twelve months are classified as long term benefits and are recognized as liability at the net present value.

Defined contribution plan

Contributions to defined contribution schemes such as provident fund, Employees State Insurance and Pension Plans are charged off to the Statement of Profit and Loss/ Capital Work-in-Progress, as applicable, during the year in which the employee renders the related service.

1.13. Provisions, contingent liabilities and contingent assets**Provision**

Provisions are recognized when the Company has a present legal or constructive obligation as a result of past events; it is probable that an outflow of resources will be required to settle the obligation; and the amount has been reliably estimated.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or reliable estimate of the amount cannot be made, is termed as contingent liability.

Contingent Assets

Contingent assets is disclosed where an inflow of economic benefit is probable.

1.14. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

1.15. Cash Flow statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

1.16. Foreign Currency Transactions

Functional Currency

Financial statements of the Company's are presented in Indian Rupees (₹), which is also the functional currency.

Transactions and Translations

Foreign-currency denominated monetary assets and liabilities are translated into the relevant functional currency at exchange rates in effect at the balance sheet date. The gains or losses resulting from such translations are included in net profit in the Statement of Profit

and Loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction. Transaction gains or losses realized upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled.

1.17. Leases

Finance leases, which effectively transfer to the Company substantially all the risks and benefits incidental to ownership of the leased item, are capitalized at the inception of the lease term at the lower of the fair value of the leased property and present value of minimum lease payments. Lease payments are apportioned between the finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognized as finance costs in the statement of profit and loss. Lease management fees, legal charges and other initial direct costs of lease are capitalized.

A leased asset is depreciated on a straight-line basis over the useful life of the asset. However, if there is no reasonable certainty that the company will obtain the ownership by the end of the lease term, the capitalized asset is depreciated on a straight-line basis over the shorter of the estimated useful life of the asset or the lease term.

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as Operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

1.18. Other Notes on Accounts

- I. In the opinions of the management, the current assets, loans and advances have the values on realization in the ordinary course of business at least equal to the amounts at which they are stated in the balance sheet, except for trade receivables and loans and advances which are covered under the management's policy in respect of bad and doubtful debts as taken in the previous years, if any.
- II. Debit and Credit balances are subject to confirmation and reconciliation.
- III. There are no dues to Micro; Small & Medium Enterprises as at Balance Sheet date and no interest has been paid to any such parties. This is based on the information on such parties identified on the basis of information available with the Company and relied upon by the auditors.
